Evaluating Jesus Mythicist Memes: Responding to Pseudoscholarship (A Christian Response to Jesus Mythicism Book 5) Albert McIlhenny

In "Evaluating Jesus Mythicist Memes," Albert McIlhenny gives a quick critique of some of the most common types of memes spread across the internet by Jesus mythicists and explains what Christians should look for in crafting a response. Some Christians and many mythicists may be surprised at just how bogus the claims actually are and how easy it is to debunk them. By the end of the book, you should have a good idea just how baseless most of the claims actually are and how to best respond to newly produced memes.

This e-book is part of the series A Christian Response to Jesus Mythicism that counters the thesis, popularized through films such as *Zeitgeist* and books by Earl Doherty, Tom Harpur, Richard Carrier, D. M. Murdock (aka "Acharya S"), and many others, that Jesus never existed. While this view is not taken seriously by scholars, it has entered the popular culture through sensationalistic books, films, and websites. In this series, various aspects of the mythicist viewpoint are subjected to a thorough critique and the bogus nature of their claims exposed for all to see.

The contents of the book are as follows:

Series Introduction

Introduction

Chapter 1 – What Are Your Sources?

1.1 – How Did They Come Up With That?

It makes you more easily to read this book, since you can read this book in your Smart phone. So there is no reason for your requirements to past this publication from your list.

Wayne Martin:

As a college student exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some reserve, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to the library. They go to there but nothing reading really. Any students feel that reading through is not important, boring as well as can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Evaluating Jesus Mythicist Memes: Responding to Pseudoscholarship (A Christian Response to Jesus Mythicism Book 5) can make you sense more interested to read.
