Many individuals are familiar with the field of medical transcription and dismiss it as a work-at-home option for them because of the difficulty level, investment, training, and certification required. This book is not about medical transcription.

I'd like to introduce you to a world of transcription that is vastly varied, a place where stay-at-home moms, dads, and singles have the opportunity to **earn income typing from home without taking training courses or achieving certification**. Read this book today to learn exactly how you can get started in this rewarding home-based income opportunity.

Inside you'll find information about the different kinds of transcription, skills needed to be successful, step-by-step instructions on how and where to get hired, payment details, tax tips, and more!
