Edgar Allan Poe

The Narrative of Arthur Gordon Pym of Nantucket Edgar Allan Poe

The work relates the tale of the young Arthur Gordon Pym who stows away aboard a whaling ship called Grampus. Various adventures and mis-adventures befall Pym including shipwreck, mutiny and cannibalism. The story starts out as a fairly conventional adventure at sea, but it becomes increasingly strange and hard to classify in later chapters, involving religious symbolism and the Hollow Earth. --Wikipedia Notice: This Book is published by Historical Books Limited (www.publicdomain.org.uk) as a Public Domain Book, if you have any inquiries, requests or need any help you can just send an email to publications@publicdomain.org.uk This book is found as a public domain and free book based on various online catalogs, if you think there are any problems regard copyright issues please contact us immediately via DMCA@publicdomain.org.uk
