## **All You Can Do is All You Can Do** Art Williams

If you think dreaming is “kid’s stuff”, you’re dead wrong, and without a big dream, your career and your life will go.....nowhere. In *All You Can Do is All You Can Do*, Art Williams shares the winning system that he used to change his life and the lives of thousands of other people within his company. This book describes a deceptively simple six-point plan that turns ordinary people into winners. Find out how to get that “Friday night feeling”, back in your life!

### The Six Fundamentals

the same fundamentals that Art Williams used in his own life.

the same fundamentals that produced more six-figure income executives than any ten-year-old company in American business.

the same fundamentals that helped build A.L. Williams into the “winningest” company in modern business history.

It’s not a get rich quick scheme.

It’s not “pie-in-the-sky” theory.

It’s not a lot of business strategy.

It’s (finally!) a success system by someone who actually WON!

And it works- for ordinary people who want to do something extra-ordinary with their lives.

-Art Williams has established a simple formula for success. His priorities and philosophy are much akin to my own. Reading this book and applying its principles will certainly have a positive influence on the reader.

S. Truett Cathy

Founder and Chairman, Chic-fil-A, Inc.

-Art Williams has done it again! In this book he shows that he has the great sensitivity to people and the perceptiveness to business which have made him so successful over the years. I think he is ready for a trip to the moon!

AYCDIAYCD is an exciting confirmation of what people can accomplish when they know what they want and go after it.
