**Amharic Visual Dictionary** Jean-Claude Corbeil

AMHARIC LANGUAGE/ SCIENCE & MODERN TECHNOLOGY This Book, the "Amharic Visual Dictionary," is an ideal companion and compliment to the various dictionaries that are of a more religious, spiritual and biblical nature. And, as His Majesty, HAILE SELASSIE FIRST, who singularly encouraged, supported and established by practice the motto of "Education is the Key," for His countrymen, at home and abroad, in giving worthy advice to a thousand generations also said, "seek the secular knowledge, for the more one knows the more he realises the need for a prime mover, the need for a Creator, a Creator who is good, and the need for salvation and also for peaceful life upon earth." Thus present volume, entitled "Amharic Visual Dictionary," and reprinted by This Fraternity of His Majesty, is yet another invaluable key, stepping stone and building block towards developing a linguistic and Ethiopic-based unified matrix. Binding: Perfect-bound Paperback Pages: 610 Language: English & Ethiopic Transliteration Product Dimensions (inches): 5.5 wide × 8.5 tall
