Happy the Land Louise Dickinson Rich

The thousands of readers who have delighted in *We Took to the Woods* (p.19), will welcome this sequel, written when Louise Dickinson Rich had lived in the ruggedest part of western Maine for 12 eventful years. *Happy the Land* has a more bittersweet tone than the first book, because by then Rich had lost her husband: "Then the bottom dropped out of my life. Ralph died...suddenly, between one breath and the next, on a still and snowy December night. We were alone together at Forest Lodge....I can only say that in time I began to live again, and that it was truly a rebirth, for all the things I'd loved about this life here, all the places Ralph and I had been together and the things we had done were restoredSo I decided that I would write a book to please myself, about the things I love.... This is that book."
