As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's heart or real their passion. They just do what the educator want, like asked to go to the library. They go to generally there but nothing reading significantly. Any students feel that examining is not important, boring and also can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this period, many ways to get whatever we want. Likewise word says, ways to reach Chinese's
