Burning Through Gravity (Volume 1) Addison Moore

BURNING THROUGH GRAVITY—they soared so high so fast they never expected the fall. Two beautiful souls. Two seemingly innocent deceptions. Once they meet, Stevie and Ford explode into one another in a ball of lust, hotter than a July moon. Ford is assertive, dominate and in control, that is until Stevie brings him to his knees. He thinks she's the most beautiful woman he's ever met both inside and out. Stevie thinks he's sweet, and sort of goofy—of course it doesn't hurt that he drips sex like honey. Stevie is starting to fall hard for Ford. And Ford is all in with Stevie. She wonders if he could ever forgive her for what she's about to do. She wonders if she wants him to. They say love conquers all. But love never met two liars like Stevie and Ford. His lie cost her a few sleepless nights. Her lie will cost him everything.

From reader reviews:

Jasmine Myers:

In other case, little men and women like to read book Burning Through Gravity (Volume 1). You can choose the best book if you'd prefer reading a book. So long as we know about how is important a new book Burning Through Gravity (Volume 1). You can add expertise and of course you can around the world by the book. Absolutely right, because from book you can recognize everything! From your country until foreign or abroad you may be known. About simple matter until wonderful thing you may know that. In this era, you can open a book or maybe searching by internet product. It is called e-book. You may use it when you feel fed up to go to the library. Let's read.

Jose Williams:

A lot of people always spent their very own free time to vacation as well as go to the outside with them loved ones or their friend. Are you aware? Many a lot of people spent they free time just watching TV, as well as playing video games all day long. If you want to try to find a new activity honestly, that is look different you can read a new book. It is really fun in your case. If you enjoy the book that you read you can spent 24 hours a day to reading a reserve. The book Burning Through Gravity (Volume 1) it is rather good to read. There are a lot of individuals who recommended this book. These were enjoying reading this book. If you did not have enough space to bring this book you can buy typically the e-book. You can m0ore very easily to read this book out of your smart phone. The price is not too costly but this book has high quality.

Norma Ochoa:

Playing with family in a very park, coming to see the sea world or hanging out with close friends is thing that usually you have done when you have spare time, subsequently why you don't try thing that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Burning Through Gravity (Volume 1), it is possible to enjoy both. It is excellent combination right, you still need to miss it? What kind of hang type is it? Oh seriously its mind hangout men. What? Still don't buy it, oh come on its referred to as reading friends.

Pearl Miller:

This Burning Through Gravity (Volume 1) is great book for you because the content which can be full of information for you who else always deal with world and have to make decision every minute. This book reveal it facts accurately using great manage word or we can state no rambling sentences included. So if you are read the item hurriedly you can have whole info in it. Doesn't mean it only gives you straight forward sentences but tricky core information with attractive delivering sentences. Having Burning Through Gravity (Volume 1) in your hand like finding the world in your arm, data in it is not ridiculous one particular. We can say that no publication that offer you world in ten or fifteen small right but this publication already do that. So , it is good reading book. Hey there Mr. and Mrs. occupied do you still doubt that?
