Chuck never thought that he had a gambling problem until one night he found himself \$20,000 down against Bart and had just lost his wife Jana's Lexus to him. The bets escalate before Jana takes control of the situation and gets her revenge on her husband only to discover his shocking, secret bisexual past.

One thing was clear; their relationship would never be the same again.

This is a work of erotic fiction about consenting adults and contains explicit imagery not suitable for minors or those easily offended by such material. It contains scenes of female domination and bisexual relations.
