## Legendary House of Haunted Hell Mr. Satanism

"I sense an unnatural presence in this place... and I'm going to f--k it!" Infamous internet film critic Mr. Satanism sets his sights on the haunted house film, savaging the *Amityville Horror* series, Sean S. Cunningham's *House* series (including the elusive third entry), and dozens more, from the celebrated (*The Legend of Hell House*) to the obscure (*Ghostly Revenge; Tragic*) to the purportedly true (entirely too many). You'll laugh yourself right into the grave, and who doesn't want that, right?
