This is a spiritual, humorous, uplifting, and inspiring book about a young woman growing up in a small town in Alabama. She shares her joy and pain about living life with all of its complexity. Life was simple, until the day she realized that others looked to the sky, and saw clear blue skies, and she looked to the sky, and all she could see was dark gray clouds. One day her gray clouds turned white and she saw the clear blue skies. It was that day she realized how sweet and wonderful life could be. This is a book that you will not want to stop reading.
