Finger Lakes Wineries: A Pictorial History Emerson Klees

This book provides a history of the early wineries, such as Taylor Wine Company, Pleasant Valley Wine Company, and Urbana / Gold Seal wineries in Hammondsport and Widmer Wine Cellars in Naples. The many wineries that went out of business during Prohibition are discussed as well as Paul Garrett's Garrett & Company, which moved north to Penn Yan. Walter S. Taylor of Bully Hill Vineyards, promoter of French American Hybrid grape varieties, and Dr. Konstantin Frank, cool-climate pioneer and driver of the renaissance with European varieties, are highlighted.

The many wineries that were the result of the 1976 Farm Winery Act as well as wineries founded by entrepreneurs and vintners from outside the region are discussed. The Epilogue addresses the recent changes and future trends in the region. The Appendix provides a description of grape varieties and a glossary of grape and wine terms.
