Tension in the Tank: Embracing Interfaith Mysticism Without Leaving the Church Barbara Lee

Tension in the Tank meets us where we are on a faith journey that includes doubt and pain. Here is a voice that speaks to the beauty and value of interfaith understanding and liberal social values while digging deep into the heart of Christian mysticism. If we are living a spirituality that matters, it will affect the way we treat ourselves and the way we treat each other. Tension in the Tank is about faith that is relevant, secure, and ever-evolving. It is a guidebook for building meaningful relationships with Spirit, self, and each other. Radically open to possibility and wonder, Tension in the Tank offers the opportunity and the challenge to live our faith in such a way that the walls between us come down and we become pursuers and enactors of universal justice.
