## **Hold My Heart (The Heart Series) (Volume 1)** Esther M. Soto

On a manhunt for a serial killer, FBI Special Agent Ileana Harper falls through a break in time, ripping her from the present and everything she knows. After forming an uneasy alliance with the man who comes to her rescue, she unearths long-buried family secrets. Spiraling out of control, she clings to memories of Tommy, her partner and best friend of eight years, to keep her sane, fearful she may never see him again. FBI Special Agent Tommy Colton relies on Ileana to keep him grounded; she's the closest thing he's ever had to love in his life. When Ileana disappears, leaving no trace, he falls apart. Without her beside him, Tommy is about to face the biggest challenge of his career, if not his life. While trying to find a way home, Ileana races to determine the killer's identity and discovers he might be closer than she realized. Will she risk everything to catch him, or sacrifice justice to find her way back to Tommy before it's too late?
