#### Reflected Passion Erica Lawson

Dale Wincott is a 27-year-old woman born into Bostonian wealth and groomed to marry into the social hierarchy. Her mother is a hard-hearted society matriarch, but her father feels for his daughter and helps Dale find a life on her own as a furniture restorer.

Françoise Marie Aurélie de Villerey is a 28-year-old Countess, born into the French aristocracy and forced to marry a count much older than herself. For ten years, she was his trophy wife, forced to endure his perverted desires, until the day he finally died. He had broken her emotionally and she no longer cared for what life had to offer, slipping from one sexual partner to another as often as she changed her clothes.

Until... that one night when Françoise looked up during a sexual encounter and saw Dale watching her from the mirror. A veritable angel, full of innocence and curiosity, who touched her very soul.

Through the mirror, Françoise embraces life anew, while for Dale it is a powerful awakening, forcing her to discover not only her sensual nature, but the inner strength she possesses.
