**Spike: Into The Light (Buffy the Vampire Slayer)** James Marsters

Spike, the vampire who chose to have a soul takes a break from hanging with Buffy. In a small California town, low on funds and food, he runs into his past hidden under the floorboards of an old store, as well as a patience-trying slimy monster, stolen children, and some trouble with his boots . . . And, of course, there's always a girl. How can a good guy catch a break when he's constantly trying to hide the vampire inside? The original graphic novel (i.e. not previously published in comic book format), *Spike: Into the Light* is written by James Marsters, the actor who played Spike on the *Buffy the Vampire Slayer* television show.
