Spiritual Perversion Steve Sanchez

On a journey to find spiritual enlightenment, Steve Sanchez discovered a newspaper ad offering a free psychic reading. In his quest to find answers, he unknowingly began a 15-year struggle with himself, his family, and his "church" that would leave his life emotionally shattered. *Spiritual Perversion* chronicles Sanchez' struggle as a member of a cult and delves into their strange and traumatizing world.

Spiritual Perversion brings the reader right into the experience of cult membership. Author Steve Sanchez tells his true story with painful honesty.

Steve writes with raw and honest emotion providing insight to his vulnerability to the influence of a cult and why so many others of all backgrounds may be influenced as well. This gritty and candid account of his experiences comes alive for the reader and exposes the perversion and abuse that comes with cult membership.

Steve relates the effects of the cult's verbal, mental and emotional abuse, financial exploitation, destruction of marriages and their corruption of the bond between parent and child in the most vivid and chilling manner.

The methods of mind control are described in detail: Sanchez relates the techniques used by the cult leaders to maintain control over the adult followers and worst of all, their children. In one of the most painful episodes, Steve describes how his own young daughter was entranced by the cult leaders and compelled to denounce and hate him only because Steve resisted the cult's abuse and exploitation.

Now free of the cult's control, Sanchez began a new journey of psychological and spiritual recovery that helped him regain his life and his daughter's love.

Because of the intensely abusive language used by the cult leader and the raw, graphic nature of the events described in *Spiritual Perversion*, discretion is strongly advised.
