The Breakbeat Bible: The Fundamentals of Breakbeat Drumming Mike Adamo

Hudson Limited is proud to announce the release of a book/MP3 package called The Breakbeat Bible, by Michael Adamo. The Breakbeat Bible provides the most in-depth study of breakbeat drumming in print. The style is divided into thirteen essential elements, with each element discussed in its own chapter. Hundreds of exercises and beats give the reader ample opportunity to practice the elements, which, when assembled, will give the drummer the ability to integrate a complete language of incredibly funky concepts into his or her playing. Over 90 transcriptions of beats and breaks provide the reader with a window into hip-hop/breakbeat drumming. Included are some of the most sampled beats in music history including information about the original song and later songs that used the sample. Also included is a historical overview of hip-hop and breakbeat drumming, as well as biographies of many of the architects that helped design the culture. The Click Track Loops chapter provides an incredibly challenging system for practicing the breakbeat/hip-hop elements and other grooves against various patterns programmed into a drum machine. These will help the reader attain new levels of tightness, precision, and groove in their drumming. The Breakbeat Bible MP3 Disc features examples of select exercises, beats, and eight-bar phrases from the book. It also contains five play-along instrumental tracks (with and without drums). There is also a bonus sample library featuring 30 individual drum/cymbal sounds. Bonus Sections include Beats With Drops, Fills, and Dubstep
