Ética y Coaching Ontológico (Spanish Edition) Rafael Echeverria

La practica del coaching ontologico nace en el ambito de la etica y pertenece a el. Su razon de existencia y los objetivos que persigue remiten a la etica. El coaching ontologico nos conduce necesariamente al reconocimiento de que la crisis mas profunda que hoy encara la humanidad y, de manera particular, la cultura occidental es una crisis en el ambito de la etica. Resolver esta crisis nos obliga a revisar los fundamentos de nuestra concepción sobre el ser humano. La pregunta ontologica se convierte, entonces, en la mas fundamental que podemos plantearnos. De acuerdo a como la respondamos, condicionaremos nuestra mirada al mundo, a los demas y a nosotros mismos; en definitiva, nuestra mirada a la vida. Nuestra propia respuesta a esta pregunta la hemos articulado en el discurso de la ontologia del lenguaje, de cuya interpretacion sobre el ser humano es tributaria la practica del coaching ontologico. Partiendo de una de sus premisas que señala que no solo actuamos de acuerdo con como somos sino que tambien somos de acuerdo con como actuamos, es posible aspirar a traves del coaching ontologico al advenimiento de nuevos sujetos, liberados de sufrimientos atavicos, mas dueños de sus propias vidas, agentes sociales capaces de contribuir desde su plenitud recuperada a un mundo mejor.
