**"It's that time again. Time for a new experience. Time for me to feed off the sexual energy of a new man, to get taken hard, with Jonathan's permission, with him watching as I get filled by a stranger for the third time . . ."**

Their first cuckold experience was an experiment, but the second one made it real, **unleashing** something in them, **stretching** the boundaries of their fantasies and desires. This is part of their marriage now, and they **hunger** for the next experience.

The first man took her in the privacy of her own home, with her husband silently watching from the kitchen.

The second man took her outside, in the back of a mail-truck, while Jonathan stared through the window, his face pressed up against the glass.

Now it's time for Number Three, and they will venture **farther** away from the safety and comfort of their own home, **deeper** into their new lifestyle, **harder** into their escalating fantasies.

How far will this distinguished, middle-aged couple go to get what they **want**, what they **need**, what they **crave**?

*This is a 20,000-word erotic book that contains graphic, explicit sex including oral pleasure, anal play, and wall-thumping sex. You have been warned.*
