WORLD POLITICS: TREND AND TRANSFORMATION offers analysis of the most up-to-date data, research, and contemporary events from today's international political stage. Students will understand what is happening today and why. The 2016-2017 Edition incorporates recent challenges to global peace and prosperity, and the latest on international organizations, advances in military technology, a look at the changing nuclear environment in Iran, an expanded discussion on human rights, an enhanced discussion of global health threats, new data from World Development Indicators, and more. A partnership with the Carnegie Council for Ethics in International Affairs provides additional coverage of contemporary issues. The authors present each issue in a thought-provoking way that encourages students to critically assess the problems, payoffs, pitfalls, and paradoxes of people's choices about the global future and the probable impact those choices will have on students in the future. Now, the book is also available in a variety of formats with MindTap Political Science for Blanton/Kegley's World Politics: Trend and Transformation is the digital learning solution that helps instructors engage and transform today's students into critical thinkers.
