## Contemporary Perspectives on Serial Murder

Labeled as the crime of the 1990's, serial murder is predicted to remain the crime of the first decades of the new millennium. This book brings together the perspectives of acknowledged experts in the field along with those of emerging authorities on serial murder. The chapters offer a unique look at these crimes from a variety of viewpoints and experiences. Accessibly written, this compelling volume includes information on minorities and serial killing, as well the manner in which serial killers are traced and tracked.
