Peaches Jodi Lynn Anderson

Murphy McGowen has bright green eyes, a reputation as the wildest girl in Bridgewater, and a way of getting out of all the trouble she gets into. But when she's caught stealing from the Darlington Orchard, she's forced to repay her debt picking peaches in the hot Georgia sun.

Leeda Cawley-Smith has professionally whitened teeth and the softest skin her boyfriend has ever touched. Unfortunately, Leeda's parents aren't too keen on her being touched anymore. Now Leeda's country-club summer is out the window -- she'll be getting a serious sock tan working at her uncle's peach orchard instead.

Birdie Darlington used to dance around her family's orchard picking peaches for fun. But now that her parents are getting divorced, Birdie would rather spend the summer in the A/C eating Thin Mints than pick another peach -- too bad she doesn't have a choice.

Thrown together at Darlington Orchard, Murphy, Leeda, and Birdie discover what it means to find a real soul mate, and that sometimes cute boys know a lot about peach cider. And, of course, they learn the trick to picking a perfect peach. One thing's for sure -- it's going to be a juicy summer.
