A great new way to inject variety and excitement into a couple's love life, *Sex Mix* takes the popular split-page design usually found only in kids' and joke books and unleashes it on the world of erotic pleasures.

The top half of each page offers a tantalizing foreplay idea and the bottom half presents an erotic position. However, since the halves are *not* connected, couples can flip the tops and bottoms of pages separately to create thousands of exciting sexual combinations.

The book's mix-and-match format allows a couple to enjoy a single unpredictable night of flip-open fun or years of fresh, exciting sex. With dozens of foreplay ideas such as sensual massage and daring role play and positions ranging from the relatively tame to the ultra-stimulating, *Sex Mix* helps couples discover what really turns them on.
