## Some People Harold Nicolson

On the face of it, bracketing Harold Nicolson and Vladimir Nabokov seems unexpected but the latter paid a remarkable tribute to *Some People*. **When speaking to Harold Nicolson's son, Nigel, he confessed that all his life he had been fighting against the influence of *Some People*.** **'The style of that book is like a drug', he said. The critic and biographer, Stacy Schiff, has also admitted '*Some People* has exerted more influence than I care to admit. I would reread it any day of the week.'**

Ever since first publication in 1927 it has been attracting this sort of praise. It is an unusual book comprising nine chapters each one being a sort of character sketch: Miss Plimsoll; J. D. Marstock; Lambert Orme; The Marquis de Chaumont; Jeanne de Henaut; Titty; Professor Malone; Arketall; Miriam Codd. The author himself writes, a little disingenuously, 'Many of the following sketches are purely imaginary. Such truths as they may contain are only half-truths.' In fact, it would be difficult to point to one, other than Miriam Codd, that was 'purely imaginary', some were composite portraits, others skilful amalgams of divers traits from a variety of different people, and others much more overtly drawn from one real-life figure, for example Lambert Orme clearly represents Ronald Firbank, and Arketall Lord Curzon's bibulous valet.

There is nothing else quite like *Some People* and in its own playful way is beyond category. **To be tedious for a moment, we have to call it fiction but are then immediately thrown by Virginia Woolf's deft summary, 'He lies in wait for his own absurdities as artfully as theirs. Indeed by the end of the book we realize that the figure which has been most completely and most subtly displayed is that of the author . . . It is thus, he would seem to say, in the mirrors of our friends that we chiefly live.'**

Fiction? Biography? Autobiography? - the category doesn't matter, the result is spellbinding however you choose to read it.

### From reader reviews:

#### **Gail Rodriguez:**

Nowadays reading books be a little more than want or need but also turn into a life style. This reading addiction give you lot of advantages. The huge benefits you got of course the knowledge your information inside the book that will improve your knowledge and information. The data you get based on what kind of book you read, if you want get more knowledge just go with education books but if you want experience happy read one along with theme for entertaining including comic or novel. Typically the Some People is kind of e-book which is giving the reader erratic experience.

#### **Robert Hester:**

Playing with family within a park, coming to see the ocean world or hanging out with buddies is thing that usually you will have done when you have spare time, then why you don't try issue that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition info. Even you love Some People, you can enjoy both. It is fine combination right, you still need to miss it? What kind of hang-out type is it? Oh can occur its mind hangout guys. What? Still don't understand it, oh come on its referred to as reading friends.

#### **Michelle Fulk:**

Reading a book for being new life style in this season; every people loves to go through a book. When you read a book you can get a lots of benefit. When you read books, you can improve your knowledge, due to the fact book has a lot of information into it. The information that you will get depend on what forms of book that you have read. If you need to get information about your review, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this kind of us novel, comics, and also soon. The Some People provide you with a new experience in looking at a book.

#### **Tammy Clark:**

E-book is one of source of understanding. We can add our information from it. Not only for students but native or citizen require book to know the revise information of year in order to year. As we know those publications have many advantages. Beside we add our knowledge, could also bring us to around the world. By the book Some People we can get more advantage. Don't that you be creative people? To become creative person must prefer to read a book. Just simply choose the best book that suitable with your aim. Don't possibly be doubt to change your life at this time book Some People. You can more desirable than now.
