Balkan Holocausts?: Serbian and Croatian Victim Centered Propaganda and the War in Yugoslavia

David Bruce Macdonald

Balkan Holocausts? compares and contrasts Serbian and Croatian propaganda from 1986 to 1999, analyzing each group's contemporary interpretations of history and current events. It offers a detailed discussion of holocaust imagery and the history of victim-centered writing in nationalism theory, including the links between the comparative genocide debate, the so-called holocaust industry, and Serbian and Croatian nationalism. No studies on Yugoslavia have thus far devoted significant space to such analysis.
