What is separation? Is it simply the whim of fundamental preachers or is it a command of God? -- What about skimpy clothing on girls and women, long hair on boys and men? Is it wrong to go to "good" movies? What about "Gospel rock," or the use of tobacco? Is social drinking permissible? Does separation reveal a person's true nature? -- Here is a book that goes much further than the average view of separation, yet is written in such a way as to be of great help to new converts as well as the more mature Christian. Every Christian must examine himself in the light of God's Word - this text will assist you in doing so.
