## **My Sermon Notes: Volume 4 - Romans to Revelation** Charles H. Spurgeon

This book is part 4 of the four volume set of Charles H. Spurgeon's sermon notes. These were first published in 1884, and are a selection from outlines of discourses delivered at the Metropolitan Tabernacle. Each of these volumes contain over 60 outlines.

Though it sounds good, there are no promises that using these outlines will ensure that you can preach like the original "Prince of Preachers," but it certainly couldn't hurt to see how one of the greatest ministers of all time prepared his messages.
