Rotten Teeth Laura Simms

Speaking in front of the class isn't easy for small people like Melissa Herman. Especially when there's nothing very special to say about her house or her family or herself. But with the help of her older brother, Melissa borrows a bottle from her father's dental office to take to show and tell. The teacher is appalled, but the children are intrigued. David Catrow's hilariously zany illustrations reveal that there is nothing ordinary about Melissa Herman, or her house or her family. The bright artwork is laugh-aloud funny and will have children begging to hear the story again, or maybe invent their very own tale.
