The Gyro Quick Guide: Version 2

This book was written by a UK CAA Gyrocopter Examiner with the sole aim of teaching you to fly this amazing aircraft. It is based on the UK CAA training syllabus for the PPL(G) and as such has all the relevant exercises included, explained and makes them easy to understand and learn. A great companion if you are learning to fly or simply have a passing interest in Gyros.

Autogyros have been around for decades and are those amazing looking toys that shouldn't really fly...the Gyro Quick Guide will tell you all about this wonderful aircraft and how it actually flies and continues to fly.

The Gyro Quick Guide is based around the currently flying Autogyro types of which common tandem trainers are being used by various training schools; The Gyro Quick Guide can also be applied for generic type single seat Autogyros.

The Gyro Quick Guide complements the UK BRA syllabus for the Private Pilot's Licence (Gyroplanes). It keeps it simple, precise and focuses on the main aspects of flying exercises with essential briefing notes. Professionally produced with 52 double-sided pages and 75 excellent illustrations. It covers all the important subjects and is essential reading for students, Gyro Pilots and Instructors.
