Imagine the *Star Wars* universe—Princess Leia, Han Solo, Yoda, and all the other characters—reproduced on a miniature scale. These are the immensely popular and eminently collectible action figures that Kenner Toys has produced for the past 20 years. Until now, there has never been a comprehensive book for the legions who collect these fantastic figures. *Star Wars: The Action Figure Archive* is the visual compendium they've been waiting for. This definitive reference covers the older Kenner action figures as well as the new Hasbro/Kenner line. Every full-color page features shots of the action figures, many with movie stills on which the figure was based, and showcases accessories and the original packaging. Captions enumerate different versions of the figures, providing the exhaustive information required by the serious collector. With over 2,000 color photos, this is the definitive tour of the *Star Wars* action figure galaxy.?
