Dressed as a maid, Jenna is forced to do the cleaning, but when she fails to perform to her Master's satisfaction she knows she's in trouble.

She finds herself bent over her Master's knee for a good spanking, and when that doesn't prove effective she is hog tied and tickle tortured before being taken by a toy - and her Master - all at the same time!

Can her Master make her into a good and obedient maid? Or will Jenna need further discipline from her firm-handed, firm-bodied husband?
