Evidence

Luc Sante

Evidence Luc Sante

Following *Low Life*, Luc Sante's acclaimed evocation of the underside of New York City's history, *Evidence* is an investigation into the mysteries of crime, death, and photography that only this brilliant and original writer could conduct.

In one sense *Evidence* is a picture book - a collection of 55 evidence photographs taken by the New York City Police Department between 1914 and 1918. These are startling images, some brutal, some poetic, and all possessed of a strange and spectral beauty.

Luc Sante minutely examines these pictures of crime scenes and draws them out by every possible means: speculating about the lives and deaths depicted; discussing the progress of the forensic use of photographs and the mission of photography itself; and, where possible, reconstructing the events that led up to these frozen terminal images. *Evidence* is many things at once: aesthetic object, historical and sociological document, mystery novel, memento mori, and time machine.
