No Middle Ground (Spineward Sectors- Middleton's Pride Book 1) Caleb Wachter

No Middle Ground is Book One of Four in the ongoing Middleton's Pride military space opera series, set in the 14-books-and-counting Spineward Sectors universe written by the Wachter brothers, Luke Sky and Caleb.

When the Empire abandoned the Spineward Sectors to their own devices, it was left to an underappreciated few like lifelong military man Tyrone 'Tim' Middleton and his crew of misfits aboard the aged Pride of Prometheus to keep their corner of the galaxy safe from forces which would tear it apart.

This action-packed, character-driven space opera series is full of ship battles, space marine slugfests, interstellar politics, and at fourteen total books already written in the universe—including four in this particular sub-series—this team of author brothers is just getting started on this epic saga.
