A rock band on the cusp of massive stardom, *Unlocking the Truth* is made up of three thirteen-year-old African American boys: Malcolm, Jarad, and Alec. When not in school they spend their time as rock stars opening for the likes of Queens of the Stone Age, Motorhead, and Guns N' Roses, and crowd surfing at Coachella. They are currently working on their soon to be released debut EP. The key to their success: hard work, dedication, passion, and focus on their art.

Part memoir and part guide book, the boys share the essential truths and principles, such as faith, determination and friendship, that led to their success and continue to drive them. The book will inspire and be a resource for kids looking to realize their own dreams, as well as parents who want to support their children's aspirations.
