A Short Phantasy - Jeremy Brett Meets Mr. Sherlock Holmes, and Other Offerings by George R. Wills George Roland Wills

This short book has had only one complaint; that it was way too short. Therefore, I have added some of my other versions of my Sherlock Holmes stories to flesh out this one tale with three other stories, and to make it worth the time to purchase or to borrow it.

- 1). The Adventure of the Final Problem
- 2). The Adventure of the Whitechapel Changeling - The Nemesis of Neglect
- 3). A Short Phantasy - Jeremy Brett Meets Mr. Sherlock Holmes
- 4). The Adventure of the Southern Assassin

This is the table of contents for the four stories I now include in this book. The Sherlock Holmes stories by Sir Arthur Conan Doyle has been my most favorite collection of stories in the entire world. I grew up reading Sherlock Holmes.

I hope that you enjoy my efforts at trying to recapture the moment, once and yet again...

Dear Reader;

According to what I have been told, this is what I understand about a new system that they are using to pay us.

In July of 2015, we authors in the KINDLE world were informed that we would no longer be paid for our borrowed books like a purchase, any longer. We will only be paid a fraction of what we were once paid for that same work. We usually get paid 70% royalties on a book PURCHASE if it is enrolled in the borrowing thing, known as KINDLE SELECT.

That means I usually get 70% of \$2.99, or \$2.09(3) on any actual purchase, but only if the book is enrolled in this Kindle Select Borrowing and thus, able to be borrowed, at all.

If we were not allowing "borrows," and not in the Kindle Select Program, then we would only get 35% royalties, or \$1.04(65) per book.

I was making an average of a dollar, or so, on each borrow, but now they tell us that that we will only be paid an estimated .0058 of a cent per page read... less than one cent per page actually read by you, the reader. Again, that is per page 'read,' or, actually physically turned to the next page on your Kindle.

Thus, the smaller books of some 50 odd pages will only be paid an estimated 29 cents per borrowed book instead of an estimated \$1.00. or so; basically paying us a fraction of what we were getting... but we would only get the 29 cents ... and then, only if you, the reader, read the whole thing; or, more importantly, just turned all the pages in the book.

You read three pages, and then let it go back, and then we get 0.0174 cents (less than 2 cents) for that same

borrow, as compared to the previous \$1.00 (depending upon an amount accrued in some nebulous world fund, or other; it was usually around a dollar...), for the same borrow, up to June of 2015.

You can do your part to encourage us along in this change to our payment by reading the whole book that you borrow.

Thank you,

The Author of This Book
