**CGL Policy Handbook** offers plain-language analysis of the complex points of the CGL policy language and case law, focusing on issues where the terminology is subject to more than one interpretation.

Whether you represent policyholders or insurers, you'll find the practical guidance you need to resolve coverage issues faster and prepare or defend claims more effectively.

This comprehensive manual provides outstanding analysis of how CGL policy may integrate with many other primary liability policies and umbrella policies and offers helpful guidance for determining when specialized insurance policies or endorsements may need to be supplemented.

There's simply no more comprehensive or current research tool in this fast-changing area of the law!
