My Name Escapes Me Alec Guinness

Having filled roles in films as varied as "Lawrence of Arabia" and "Star Wars," Guinness is one of the most distinguished and beloved - movie actors of his generation. His charmingly sincere diary entries offer a glimpse of the private side of his often very public life. What makes Guinness a fine and versatile actor is precisely what also makes him a good diarist: an ironically observant eye. In his diary, which covers the 18 months from January 1995 to June 1996, he reveals the inner life of a hugely successful actor while remaining completely accessible. This work is, at the same time, a poignant account of a man coming to terms with being 82 and its accompanying infirmities and a delightfully humorous record of his extemporaneous opinions and careful reflections. Certain interests and preoccupations recur: theater and films, of course, but also books and paintings; the church, sometimes held up for amused observation, more often the focus of a personal faith; food and drink, whether fish 'n' chips with a group of fellow actors or a solitary entrecote at the Connaught; and the delights of being at home with his wife in the Hampshire countryside. Though Guinness shows a keen interest in contemporary events and culture (such as taking a perhaps surprising pleasure in the Wallace and Gromit cartoons), he also brings to the diary some fascinating anecdotes from his long and distinguished acting career and new tales of his current friendships.

Larry Tatro:

People live in this new time of lifestyle always try and must have the extra time or they will get large amount of stress from both daily life and work. So, once we ask do people have time, we will say absolutely indeed. People is human not only a robot. Then we request again, what kind of activity are you experiencing when the spare time coming to you of course your answer can unlimited right. Then do you ever try this one, reading textbooks. It can be your alternative inside spending your spare time, typically the book you have read is actually My Name Escapes Me.

Teresa White:

As a university student exactly feel bored to be able to reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just little students that has reading's soul or real their interest. They just do what the instructor want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that reading through is not important, boring along with can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for you. As we know that on this period, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So, this My Name Escapes Me can make you really feel more interested to read.
