The captivating Stonewall Honor-winning novel of love, family, and ghosts of the past

Aidan Lockwood lives in a sleepy farming town, day after unremarkable day. But when Jarrod, his former best friend, suddenly moves back home, Aidan begins to see clearly for the first time—not only to feelings that go beyond mere friendship, but to a world that is haunted by the stories of his past. Visions from this invisible world come to him unbidden: a great-grandfather on the field of battle; his own father, stumbling upon an unspeakable tragedy; and a mysterious young boy, whose whispered words may be at the heart of the curse that holds Aidan’s family in its grip.

Now, Aidan must find his way between the past and the present to protect those he loves, and to keep the invisible world at bay.

Just tiny students that have reading as an internal or real pastime. They just do what the teacher wants, like asked to go to the library.
