The business of love is dangerous.

For Jennifer Kent, a recent MBA graduate who has been searching for work in Manhattan for four long months, time and money are running out. If she doesn't find work soon, she'll need to return to her native Maine, where the job situation is even more bleak.

And where her abusive parents lie in wait.

But when an unorthodox arrangement is proposed, Jennifer decides to take it. She agrees to be the "girlfriend" of Alexander Wenn, the reluctant, billionaire CEO of Wenn Enterprises, who is so devastatingly good looking, he needs a beautiful woman like Jennifer on his arm to "keep the wolves at bay."

In this case, the wolves are other women, all of whom vie for his attention so aggressively, they keep him from focusing on business at the exclusive events he must attend. It's there that deals are cut. What they want is his money and his power. Damaged by a past event, the only thing Alex wants to do is focus on work. And to forget the past.

But can Jennifer deny their white-hot chemistry? As she's swept into this glittering otherworld of society and big business, she finds herself struggling to keep from falling for Alex, an almost impossible feat she nevertheless must meet.

Armed with her MBA, Jennifer Kent knows about business. But what she doesn't know is what could destroy her--the business of protecting her own heart. And maybe her own life.
