Develop historical thinkers through the stories that defined history

In *By the People*, author Jim Fraser tells resonant stories of the many different people who have shaped the United States as it is today – from everyday women and men to the most important leaders of their day. By leveraging both the relatable and remarkable people in U.S. history, *By the People* empowers students to focus on historical analysis and interpretation rather than simply memorize information. The result? A class full of historical thinkers who see themselves in history, and who may be inspired to join the list of those who have helped build a better, more hopeful country.

Enhance learning with MyHistoryLab

MyHistoryLab for the U.S. History Survey course extends learning online, engaging students and improving results.
