Jack the Ripper Scott Palmer

Numerous books, films, and articles on this famous case have appeared. No one was ever caught, or at least officially brought to trial, for the crimes.

Jack the Ripper: A Reference Guide is the only book to list all the real-life people (victims, suspects, witnesses, police, doctors, etc.) in categorical, easy-to-view style without adding irrelevant or extraneous information. There is no supposition or guesswork. Also included is an extensive, detailed bibliography that is not otherwise available in print.

This book is a valuable reference guide which will be an extremely useful addition in public libraries, and informative to those whose knowledge and interest in the subject ranges from the casual to the most experienced and dedicated.
