Nice Day For Armageddon: A post Apocalypse story Pete Thorsen

When an unknown country launches multiple advanced EMP strikes against the United States it spells doom for most Americans and severe hardships for those few who manage to survive. To the surviving Americans it really matters not who launched this crippling cowardly military strike against this great nation or what the US does as a response to this act of war, for they are way too busy just trying survive the after effects of these EMP bursts. This is the story of a few of those survivors.

As always in my stories there is no foul language or sex though there is some violence.

My stories are only meant to provide an afternoon or evening of reading enjoyment. If when reading any story you find that an occasional grammatical error spoils your whole experience then you may wish to forgo reading this story as I am sure some errors can be found within it despite my best efforts.
