## **R. Crumb's Kafka** Robert Crumb

Part illustrated biography, part comics adaptation, R. CRUMB'S KAFKA is a vibrant biography that examines this Czech writer and his works in a way that a bland textbook never could! R. CRUMB'S KAFKA goes far beyond being explication or popularization or survey. It's a work of art in its own right, a very rare example of what happens when one very idiosyncratic artist absorbs another into his worldview without obliterating the individuality of the absorbed one. Crumb's art is filled with Kafka's insurmountable neuroses. They are all there: Gregor Samsa's sister, the luscious Milena Jesenska, the Advocate's "nurse" Leni, Olda and Frieda, and the ravishing Dora Diamant-drawn in that mixture of self-command, tantalizing knowingness, and sly sexuality, that amazonian randiness and thick-limbed physicality that is Crumb. . . Crumb's idiosyncratic illustrations add a new dimension to the already idiosyncratic world of Kafka. Includes adaptations of "The Judgment," "The Trial," "The Castle," "A Hunger Artist," and "The Metamorphosis."
