Nia

It's been a long few months for me. Between juggling my recently engaged sister and opening up my own PR firm, I've had no time for myself. Well, that's about to change! I've booked myself a cruise to the Mediterranean and am planning to do nothing but lounging in the sun. I had no idea that my ticket included a visit from the one man I despise the most...

Hugh

Some time ago, I couldn't see what's right in front of me. I got caught up in the past and ruined my present. I was so caught up in my recent divorce that I couldn't see how Nia was the most amazing thing in my life. At least, not until it was too late. I've rebuilt my company, my life and myself. And now, it seems like I've been given a second chance to rebuild my life with her. I can only hope that she's willing to give me a second chance...

This new billionaire romance from Emilia Domino is a standalone romance. No cliffhangers. Intended for mature readers only.
