In The Gay Viking's Arms

It was with morbid curiosity that Leonid watched the injured Viking being taken in from the beach towards the castle - his curiosity turning to shock as he realizes it's his father carrying the man to safety. Viking's are normally feared and hated, but Leonid knows what it's like to be judged so he tries his best to be friendly.

Leonid has been promised to Lord Zane by his parents, as if he was property. His father is the only one who is unsure - but when he turns up dead and the Viking is blamed, even his mother realizes there's something wrong.

To find answers Leonid will have to go to the jail and break out the only man who can find justice for his father - the same man accused of killing him.

Azor is an alpha, muscular brute with a silver tongue who takes a liking to Leonid - but despite his charm, he's a rugged warrior who isn't afraid to take what he wants.

A Viking always repays his debts, and Azor will make it his mission to get Leonid back to his village and bring Zane to justice.

No matter what he has to do.

The Viking's Gay Thrall

Ever since he was a child, Adam knew he was different. He's always been tortured by visions of the future, and the villagers he lives with never let him forget that he's different. In a culture where the supernatural is forbidden, he's considered an outcast no matter how much he desperately tries to help.

When the Vikings land on the beach next to his quiet town it's to Adam's dismay, especially when he finds out that they're not there for silver, gold, or women - they're looking for him. He's taken by force to their leader, Guthrun.

A prophecy foretold Adam being claimed by the all powerful leader, and nothing, not even Adam's weak protests, can stop it.

Adam will struggle to make sense of things as Guthrun dominates him mentally, physically, and sexually in ways Adam never imagined as the prophecy is fulfilled and Guthrun tries to make his kingdom the most

powerful on earth with Adam by his side.

Captured By The Gay Highlander

When Justin goes to the fair with a friend and receives a mysterious prediction from a fortune teller, he has to stop himself from laughing out loud. After all, who would believe in any fortune teller, let alone one that works at a lakeside fair?

Later that night he's walking home and slips into a dark lake.... only to be pulled out in a different place, a different time, and by a tall muscular brute of a man dressed in traditional Scottish attire.

Justin will question everything he thought was real as he adjusts to life in a time gone by, gets stuck in the middle of a clan war, and has to adjust to living as his savior's servant - although he's interested in far, far more than Justin's cleaning skills...
