The Science of Sound, 3rd Edition Thomas D. Rossing, F. Richard Moore, Paul A. Wheeler

The Science of Sound is widely recognized as the leading textbook in the field. It provides an excellent introduction to acoustics for readers without college physics or a strong background in mathematics. In the Third Edition, Richard Moore and Paul Wheeler join Tom Rossing in updating *The Science of Sound* to include a wide range of important technological developments in the field of acoustics. New exercises and review questions have been added to the end of each chapter to help readers study the material. For college instructors and students.
