Warrior of the Light B.J. McCall

A fiery burst of light in the night sky signals a new life for Dani March, but at the moment her main concern is what to do about the wolf-like dog that has jumped into the backseat of her convertible. It's Halloween and weird things often happen. Falon doesn't know why he was summoned to Earth, but the beautiful woman who placed the call has this shapeshifter licking his chops. Dani's inadvertent request for a big bad wolf makes for an interesting and erotically charged night. A dog can change into a time-jumping warrior, fables can be true and one's earthly existence is the real fantasy.
