Nothing in Your Life Is Ordinary Your present world isn't supposed to be this small. You were made for something much bigger. And no, you don't have to be an astronaut, or even a Star Wars fan, to live it.

Finding God in a Galaxy Far, Far Away is not about space travel, or even a movie. It's about rediscovering your sense of wonder - something we adults have successfully squelched from our everyday lives. But God never meant it to be that way. Timothy Jones, by way of an astounding, eye-opening study of the spiritual parallels found in the Star Wars saga, will make you a kid again. You'll be marveling at the mysterious, laughing anew at life's "coincidences," and remembering above all the Creator for which you were made.
