Love Me for Me is a **beautiful**, touching story about coming home, **the importance of family**, and the special place that **first loves** hold in our hearts.

Libby Potter has just lost the perfect job, the perfect apartment and the perfect boyfriend. Moving back to the home town that she couldn't wait to escape when she was younger was *definitely* not on her to-do list. Especially as it means running into the man whose heart she broke when she left.

Pete Bennett can still make Libby's world stop with just the sound of his voice – even ten years on. Only now, she is the last person in the world that he wants to see.

As everyone else welcomes Libby home with open arms, she realizes she's missed that special closeness that comes from lifelong friendship. And, as Libby seeks to make amends with Pete, she begins to wonder whether she made the right choice in leaving all those years ago.

When an amazing career opportunity gives her the chance to leave again, Libby will have to decide what her version of perfect is... and where she really belongs.

Love Me for Me is the **perfect, feel-good summer read** for fans of Carole Matthews, Katie Fforde, Susan Mallery and Susan Wiggs
